

Advance Manufacturing System

Industrial Fans, Exhaust Fans, Fans All Types, Air Circulator Fans, Axial Fans, Axial Flow Fans, Backward Curved Flow Fans, Ceiling Fans, Cooling Fans, Cross Flow Fans, Domestic Fans, Electric Fans, Energy Regulators, Fan Parts, Fans External Rotor Motors, Flameproof Ceiling Fans, Flameproof Exhaust Fans, Pedestal Fans Etc.

Advance Manufacturing System is one of the highly acclaimed Industrial Centrifugal Fan & Blower manufacturers from India. The company is driven by engineers with sound technical knowledge, and blend of vast experience in the field of Industrial Air Blowers.

We take efforts in understanding the customer's requirement and offer them the right air blower. Centrifugal air blowers the company offers are well designed, critically analyzed and tested. Special Care is taken during design and manufacturing stages to increase efficiency and reliability of our fans and blowers. Our capability in offering superior technology at competitive price differs us from rest of the manufacturers of Industrial fans

Quality is achieved by proper inspection checks right from material purchasing to final testing of air blowers. Our focus is to develop and continuously upgrade technology for thereby creating efficient and reliable product which will satisfy our customer's needs to the fullest.

Standard Features of Advance Manufacturing System Make Centrifugal Air Blowers

1. High Energy Efficiency
2. Cost Effective
3. Reduced Noise
4. High manufacturing quality
5. Precise flow and pressure
6. Excellent after sales service & supports

Advance Manufacturing System is continuously supplying to equipment manufacturers such as

1. ID & FD Fans to Boiler manufacturers
2. Centrifugal Blowers for Dust Collection System Manufacturers
3. Air Blowers for Paint Shop System Manufacturers
4. Tube axial and Centrifugal Blower for Smoke Exhaust & Industrial Ventilation
5. Centrifugal Air Blowers for Kitchen Exhaust Applications
6. High pressure blowers for Furnace Manufacturers

Introduction In Duct Manufacturing

Leading manufacturer & supplier of rectangular ducts, GI Ducts, Air Ducts, Prefabricated Ducts, Factory Fabricated Ducts, Exhaust Ducts, Ducting material, Industrial ducts, Inline Fans, Lock Forming Machines & Machine ducts Etc.

We can offer superior products at competitive Prices. Advance Balancing Service recognizes that price; quality, time, and service are key components to customer satisfaction and is committed to exceeding customer expectations.

Products/Service Types

1. Rectangular Duct & Custom Fabrication Fittings.
2. Round Spiral Duct & Snap Lock & Fittings.
3. Flat Oval Spiral Duct & Fittings.
4. Welded Round & Fittings.

List of Prime Customers

- Bhushan Steel Ltd., Sahibabad, Delhi
- Rdevies Engineers Pvt. Ltd., Delhi
- Hero Cycle Ltd., Patana, Bihar
- Munjal Auto Industries Ltd., Badoda, Gujrat
- Schreiber Dynamix Pvt. Ltd., Kuppam, Andra Pradesh
- Mylan lanoratories Ltd., Sinnar, Nashik
- Saideep Polytherm., Supa, Ahmednagar,
- Piaggio Vehicles Pvt. Ltd., Baramati
- Schreiber Dynamix Pvt. Ltd., Baramati
- Spintex India Pvt. Ltd., Baramati
- Frigorifico Allana Ltd., Khopoli,
- Bhushan Steel Ltd., Khopoli,
- Huhtamaki-PPL Ltd., Khopoli
- Kamani Industrial Oil., Khopoli
- ACG Pharmapack Pvt. Ltd., Shirwal, Pune
- Alicon Cast Alloy Ltd., Shikrapur, Pune
- Mutual Industries Ltd., Shrikrapur, Pune
- John Deere India Pvt. Ltd., Shrikrapur, Pune,
- Essar Steel Ltd., Sanaswadi, Pune
- Uni Klingler., Koregaon Bhima, Pune
- Ecoria & Kurodia Pvt. Ltd., Ranjangaon, Pune
- Maharashtra Enviro Power Ltd., Ranjangaon, Pune
- Forbes Marshall Pvt. Ltd., Chakan, Pune
- Minda Industries Ltd., Chakan, Pune
- Atlas Alicon Cast Ally Ltd., Chinchwad, Pune
- Indian Oxides & Chemi Pvt. Ltd., Bhosari, Pune
- Emcure Pharmaceuticals Ltd., Hinjawadi, Pune
- Bora Agro Foods., Pune

Thanks & Regards.
